**To Whom It May Concern:**

The District Council of Cape Town North District were moved by the request for assistance from Riverlands Congregation to complete their church building. A project that started in the early 2000's to get the structure to this stage through various fundraising efforts by the congregation.

Riverlands is a developing town in the Swartland Municipality, about fifty kilometres from Cape Town. The village was affected by flooding recently when three dam walls broke and destroyed some homes, road, water supply network and in the process left more than 120 people displaced. Luckily the church structure was not affected by the flooding.

Galatians 6: 2, "Carry each other's burdens, and in this way you will fulfil the law of Christ." Motivated by this verse our congregations worked together and raised R60 000 towards the completion costs. Our aim is to see the church building completed before the next Winter so that the community can be
